E-governance report

(A.Y. 2018-19 to 2022-2023)

E-governance means governance with information technology and that the increase demand for transparency in administration, faster information transfer and other demands can be full field by e-governance. The college is implemented e-governance to enhance good governance, which is generally characterized by participation, transparency and accountability to provide better service in terms of time, making governance more efficient and more effective to lower the transaction cost and make service more accessible. The college is trying it's best to keep face with the recent applications of e-governance in terms of various functions being performed digitally through internet. Most of the staff and students use smart phones to utilize the benefit of modern day technologies available in the field of higher education.

Many initiatives have been taken by the college towards e-governance:

- Communication with the governing body, university, joint director office thorough e-mail, text messaging service.
- All important notices related to students, staffs are published on college web side and college what's app group.

Principal
N.S.S.R.(N.) Mrs. Kesharbai
Sonajirao Kshirsagar Alias Kaku
Arts, Science and Commerce
College, Beed.

- Biometric attendance for teaching, non-teaching staff and research students.
- CCTV camera.
- What's App groups are used various departments for sharing important notice, information's to students.
- CCMS software used to implementation of e-governance in the areas of operation.

E-governance in following areas

For convenience purposes, the policy is divided into various areas of operation.

- **Website:** The website of the college to be continuously updated taking into account the new changes. The website should act as a mirror of the college activities and information about all activities, important notices etc. should be made easily available. The college will choose a different service provider/web designer for this reason.
- **Admission:** College has implemented online admission process for all its programmes. For online admission Process College uses Centralized Campus Management System -ERP software. The College has Brochure for guidelines the admission process. Students are required to submit a separate Application Form of college and university for taking admission to the college.
- **Internal & External Examinations:** As per the directions of the University, it is mandatory to handle examination in online manner. Filling of examination forms, revaluation forms, photocopy forms, obtaining hall tickets, receiving of examination papers, uploading of marks, etc. everything has to be done in online manner.
- **Finance and Accounts:** Accounts section of the college uses ERP software. All account related entries are maintained in this software. Apart from this, the salary of aided faculty, their promotions and other related issues are managed through HTE Sevaarth portal of the Government of Maharashtra.
