Number of Student participated	36

Event Details

On February 12, 2019, 36 students from the Department of Botany at Mrs. KSK College in Beed embarked on a highly informative study tour to Vasantrao Naik Krishi Vidyapeeth in Parbhani. The primary aim of this educational trip was to provide students with practical exposure to the fields of horticultural entomology, pathology, and to explore the advanced laboratories at the university.

The study tour to Vasantrao Naik Krishi Vidyapeeth provided numerous benefits to the participating students:

1. **Enhanced Understanding:** Students deepened their knowledge of horticultural entomology and pathology, critical for effective plant health management in agriculture.
2. **Practical Experience:** Observing and participating in laboratory experiments and practical demonstrations enhanced their practical skills and understanding of research methods.
3. **Networking:** The visit allowed students to connect with experts, researchers, and faculty, potentially opening doors to future academic and career opportunities.
4. **Inspiration:** The exposure to advanced research and cutting-edge facilities inspired students to consider higher studies and research in the field of botany.
