Number of Student participated	20

## **Event Details**

Dr. Sanjay Maske delivered an insightful guest lecture on career guidance in life sciences, providing students with a fresh perspective on the field. The lecture, organized on 9th January 2023, was a part of the ongoing efforts to enhance the knowledge and skills of students in the realm of life sciences.

Dr. Maske, known for his extensive research and contributions to the field, shared his wisdom and experiences, offering valuable advice to students aspiring to build a career in life sciences. His lecture covered a wide range of topics, including the importance of entrepreneurship development in life sciences, the role of research and development, and the various career paths available in the field.

The lecture was well-received by the students, who found Dr. Maske's guidance enlightening and inspiring. The event was a significant step towards fostering a deeper understanding of life sciences and its potential career prospects.
