Sub: Permission for remedial coaching classes – Chemistry department.

Respected Madam,

Faculty of chemistry department has identified the weak students / slow learners in subject through oral discussion and classroom performance. These students are needed to be considered for the enrollment of remedial classes. Department of chemistry, therefore is willing to conduct remedial coaching during 01/07/2023 to 30/9/2023 for identified slow learners from B.Sc. I & II year classes so as to bring them in the mainstream of average learners in the chemistry subject.

Therefore you are requested to give permission to start the remedial coaching by the department of Chemistry.

Thanking you.

Yours Faithfully

Dr. P.R. Khakre
Head, Department of Chemistry
Mrs. K.S.K. College, Beed.

Remedial Coaching Classes (2023-24)

Introduction:

The department of chemistry has been suggested by Hon. Principal to conduct the remedial classes for the slow learners in the subject of chemistry. Therefore the chemistry department has decided to run the remedial classes for weak students/ slow learners in the subject of chemistry.

Selection procedure of Students:

At the beginning of every academic year, the weak students or slow learners are identified through oral discussion and class performance. These students are considered for the enrollment of remedial class.

Syllabus Frame:

As per the need of students, the syllabus for the remedial classes has been framed and the same is distributed into two parts for B.Sc. I and B.Sc. II year students. 24 hours have been allotted to complete the concerned syllabus of each class (B.sc. I & II Year). The said course syllabus for each class is expected to complete within two months therefore for each class 03 hours per week have been allotted.

Student's progress:

After the completion of syllabus of each class successfully, students progress is evaluated by conducting a test of 20 marks comprising 20 multiple choice questions based on the syllabus framed for the remedial class. The result of the students (mark list of tests) is displayed on the notice board after five days from the date of test conducted.

Besides, the faculty of chemistry is always motivating the students to participate in various activities of the college and continuously encourage and cooperate them by counseling.

Remedial Coaching Course: Syllabus

B.Sc. I Year Chemistry (2021-2022)

Total: 24 Hours , Three hour per Week

- Unit – I Mathematical Concepts: 06 Hours**
- Basic mathematics used in Physical Chemistry
 - Differentiation, Integration, etc.
 - Logarithmic Rules;
 - Internal conversions; numbers in points to powers.
 - Practice of drawing various types of graphs in Physical Chemistry,
- Unit – II Physical Properties and it's Units: 06 Hours**
- Measurements of Physical Properties, *
 - Units of Physical Properties,
 - Unit Conversions; SI units to CGS units,
- Unit – III Laboratory skills in Performing Experiments: 06 Hours**
- Operating Instruments,
 - Handling Apparatus, glass wares etc.
 - Preparation of Standards Solutions of different Normality, Molarity.
- Unit – IV Atomic Structure: 06 Hours**
- History of atom , Atomic orbital's,
 - Quantum numbers, periodic properties
 - Electronic configurations of the elements,

Remedial Coaching Course: Syllabus

B.Sc. II Year Chemistry(2020-2021)

Total : 24 Hours , Three hour per Week

Unit - I Chemical compounds & their families 06 Hours

- Types of chemical compounds,
- Functional groups of organic compounds
- Different theories of Acids and Bases,

Unit - II Basic concepts in Organic Chemistry: 06 Hours

- Chemical Bonds & it's types ,
- Intermolecular forces & it's types,
- Mechanism of Chemical reactions,
- Hydrocarbons and types
- Heterocyclic compounds

Unit - III Spectroscopy; 06 Hours

- Brief account on spectroscopy,
- Types of spectroscopy,
- Elucidation of spectral data,

Unit - IV Laboratory skills in Performing Experiments: 06 Hours

- Operating Instruments,
- Handling Apparatus, glass wares etc.
- Preparation of Standards Solutions of different Normality, Molarity.

I & II semester)

Paper I,II & IV,V

Topic I:- i) Definition and concepts

ii) Types of microorganism

iii) Pure culture concept

General principles

i) Classification system

ii) Taxonomy

Topic II:- i) Structure reproduction (Lytic and Lysogenic cycle) Classification of viruses(LHT system

ii) General Characteristics of Mycoplasma and Rickettsia

Electron Microscope- SEM, TEM

Topic III:- i) Role of Buffers in culture Media

ii) Media used for cultivation of bacteria, Fungi, Actinomyces, yeasts, Algae and Photosynthetic bacteria

iii) Aseptic technique, Streak, Pour and spread plate method, single cell isolation

Topic IV:- i) Disinfection by chemical means, Disinfectants and antiseptics: Effectiveness, Mode of action and application, Phenolic, alcohols, Halogens, heavy metal, quaternary

ammonium compounds, Aldehyde

ii) Prokaryotic and Eukaryotic cell concepts and Differential account

Topic V:- i) Update of nutrients

ii) DNA:- Properties, Forms, structure, Functions as genetic, material types of DNA

iii) RNA:- Structure, Function, Types (r-RNA, m-RNA, t-RNA)

Remedial Coaching Syllabus

B.Sc. II year (Slow learner student)

III & IV Semester

Paper VII, VIII & XI, XII

Topic I:- i) Air sanitation-Dust control, UV radiation, Bacterial vapors, Filtration, Laminar air flow system(HEPA filters)

ii) Municipal sewage treatment process:-Primary, Secondary (aerobic and anaerobic process),Chemical treatment chlorination

iii) Disposal of treated sewage (sludge as fertilizers, irrigation and dilution)

Topic II:- i) Aggressive factors and mechanisms

ii) Determining of transmission of infections disease

iii) Definition, Determinants of antigenicity a) size b) chemical c) nature

d) Susceptibility to tissue enzyme, Foreigners, Specificity of antigens

iv) ELISA

Topic III:- i) Types of spoilage of canned and non canned foods with organisms involved

(Tabular form)

ii) Mushroom as SCP

Topic IV:- i) Oncogenic viruses:-Morphology, Types, Life cycle, Pathogenesis, Laboratory

diagnosis, Epidemiology, Prophylaxis, treatment

ii) Typhus fever morphology of causative agent, Clinical signs and symptoms, Lab

diagnosis Prophylaxis, prevention and Chemotherapy

Remedial Coaching Syllabus

B.Sc. III year (Slow learner student)

(V & VI semester)

Paper XV, XVI & XIX,XX

Topic I:- i) Mechanism, Steps and process with enzymes involved in replication

ii) Post replication modification-Methylation (dam, Dem, hsd)

iii) Conjugation: - Definition, Experimental proof Lederberg and Tatum experiment, Conjugation process

iv) F, Hfr, F factors

Topic II:- i) Coenzyme and respective enzymes (NAD, FAD, Lipoic acid, Vit-B12, Thiamine pyrophosphate)

ii) Nucleic acid catabolism: -DNA, RNA depolymerization, Degradation of nitrogenous bases (mention end product without pathway)

iii) Biosynthesis of nucleotides: Purine and Pyrimidine, Nucleotides, Conversion of ribonucleotides to deoxyribonucleotides

Topic III:- i) PCR

ii) Nucleic acid and protein blotting technique

a) Southern blotting

b) Western blotting

c) Northern blotting

Subject: - Permission for Conducting Remedial Coaching Classes.

Respected,

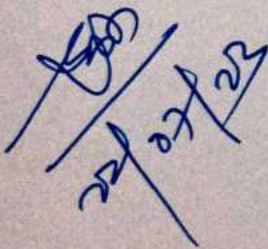

I, Dr. P.R. Maheshmalkar

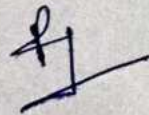

will like to help the slow learners in physics, those who have been newly admitted in **B.Sc. I (Physics)** in our college. Who need some special attention in the subject Physics.

Please, give Permission for Conducting Remedial Coaching Classes for B.Sc. I year students, in order to help the slow learners,

Please accept my request.

Thanking you.

To,
The Principal,
Mrs.K.S.K. College, Beed-431122

Subject: Regarding the permission to conduct "**Remedial Classes**" in Mathematics.

Respected Sir/Madam,

With reference to the subject cited above, we want to conduct "**Remedial Classes**" in Mathematics for the academic year 2023-2024. It helps to increase basic mathematics knowledge of weaker students which is needful for B.Sc. students having Mathematics as an optional subject.

Please give us permission to conduct "**Remedial Classes**" in Mathematics.

Thanking you.

Yours Faithfully

Selection Process

At the beginning of academic year students are selected by observing their regular class performance. Also some students are admitted willingly to improve their knowledge. After completion of remedial coaching student's improvements is assessed by unit test. The unit test is of 20 marks which contains 10 multiple choice questions.

Total :- 20 Periods.

Unit-I Determinants and Matrices (3 periods)

Determinants of order 2×2 and 3×3 , properties of determinants, minors and co-factors, Cramer's rule, Definition of Matrices, types of matrices, algebra of matrices, properties of matrix multiplication, inverse of matrices.

Unit-II Set, Functions, Limit and Continuity (3 periods)

Definition of sets, operations on sets, relation, function, types of functions, inverse trigonometric functions, Limit definition, properties and examples, Continuity- definition and simple examples, discontinuity.

Unit-III Logarithms (1 periods)

Definition and laws of logarithms, change of base, numerical problems

Unit-IV Trigonometry (2 periods)

Directed angles, measures of angles, trigonometric functions- definition, domain and their graphs, Coordinate system, factorization formulae.

Unit-V Geometry (3 periods)

Straight line- locus, equations of lines in standard forms, general equation

Circle-Equation of circle, general equation, parametric form

Conic Section- Definition and some useful terms of conic sections, Introduction of parabola, hyperbola and ellipse.

Unit-VI Vector analysis (2 periods)

Definition of Scalar and vector quantity, magnitude of vectors, types and algebra of vectors, scalar and vector product.

Unit-VII Differentiation and Integration (6 periods)

Definition of derivative, standard formulae rules of differentiation, simple examples.

Definition of integration, standard formulae rules of integration, simple examples.

To,
The principal,

Subject: - Regarding the permission of Remedial Coaching Class for slow learners

Respected Madam/sir,

With reference to the subject cited I am writing to request you to arrange remedial classes for weak students after college hours. I have noticed that some students are struggling to keep up with the pace of the regular classes, and they require additional help to improve their academic performance.

These classes would allow students to clarify their doubts and get individual attention from teachers, which would help them to understand the concepts better.

I request you to consider this proposal and take the necessary steps to organize remedial classes for weak students. This initiative would not only benefit the students but also improve the academic performance of the college.

Thank you for your consideration.

Academic Year 2023-24

❖ **INTRODUCTION: -**

A. Information about Remedial Coaching Classes: -

1. Remedial Coaching is organized in an institution with a view to improve academic skills among the students in various subjects and raising their level of comprehension of basic subjects to provide a stronger foundation for further academic work.
2. Remedial coaching is a part and parcel of the college's academic culture. Our college faces a major challenge of motivating and integrating the first generation learners into the academic environment and remedial coaching is being practiced in the campus to meet this challenge and help students who have difficulty in catching up on regular classroom proceedings.
3. The classes are usually taken after regular working hours and the performance of the students before and after the remedial classes are monitored and result based innovative strategies are adopted by the teachers.
4. Remedial coaching has helped our students accelerate their pace of achieving academic progress and also in raising the competency of the socially backward students
5. Some students are found considerably weak in regular class- teaching. They are naturally unable to grasp things in single attempt. They need extra teaching and

practice for the understanding of various subjects. Remedial coaching classes are the best alternative for such students.

6. With this purpose the college has undertaken the activity of the remedial Coaching classes for under graduate students. It is the attempt of the college to provide the remedial coaching classes to the students for the improvement of the four basic skills of language and study skills.
7. In this remedial coaching class program, we explore the comprehensive efforts and strategies employed to enhance the academic performance of Public Administration students. This was focused on addressing individual learning needs, and necessity.
8. In this remedial coaching class, we made an academic framework through which this coaching class will progress effectively, and its outcomes will automatically surfaced through student's academic excellence. Students will be benefited in their academic pursuits with the help of Public Administration faculty.

B. Aim of the Course

Remedial coaching has been designed to assist the students to attain expected competencies in academics. It also provides opportunities to rectify the disparities existing in the realm of learning capacities at individual level.

C. Objectives of the Course:

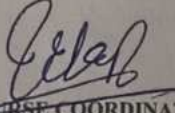

1. To identify those students who needed regular out-off classroom guidance.
2. To help academically weak students to overall improve their knowledge-grasping ability.
3. To understand student problems in their learning process and provide new technique to resolve those problem.

D. Assessment Framework

1. Constant Classroom Assessment
2. Public Administration Quiz Competition
3. Oral Test Assignment
4. Post Test Exam

E. Outcomes of Remedial Coaching Classes

1. The selected student improves their way of Public Administration understanding and learning ability.
2. Students were able to understand Administrative views much well than earlier.
3. Students were able to understand types of various Administrative institutions.
4. Somehow they improved in their examinations writing skill.
