<u>Event Details</u>

The educational visit to Mahebub and Shriram nursery was an enriching experience for the 33 students from the PG department of Mrs. KSK College. It provided them with valuable insights into the world of horticulture, botany, and nursery management. The visit bridged the gap between theoretical knowledge and practical application, and it has the potential to inspire careers in the field of horticulture and related areas.

We extend our appreciation to Mahebub and Shriram Nursery for their warm hospitality and for imparting invaluable knowledge to our students.

<u>Event Report</u>

<u>Event Details</u>

The Department of Botany organized a visit to the Agriculture Exhibition held at Chhatrapati Sambhaji Krida Sankul, Dist. Beed, on the 27th of February 2024. The purpose of the visit was to provide students with practical exposure to various aspects of agriculture, aligning with their academic curriculum.

The Department of Botany's visit to the Agriculture Exhibition at Chhatrapati Sambhaji Krida Sankul, Dist. Beed, was a resounding success. The event provided students with a holistic understanding of agriculture and its significance in addressing global food security challenges. By bridging the gap between theory and practice, the visit served as a valuable educational experience for all participants.

Highlights:

- Educational Displays: The exhibition featured a wide array of educational displays showcasing modern farming techniques, crop varieties, irrigation methods, and sustainable agriculture practices. These displays offered valuable insights into the latest advancements in the field of agriculture.
- Interactive Workshops: Students had the opportunity to participate in interactive workshops conducted by experts in agriculture. These workshops covered topics such as organic farming, crop management, soil health, and pest control strategies. The hands-on nature of these sessions allowed students to deepen their understanding of agricultural concepts.
- Demonstrations: Live demonstrations were conducted to illustrate various agricultural processes and technologies. Students witnessed demonstrations of modern farming equipment, irrigation systems, and crop harvesting techniques. These practical demonstrations enhanced their understanding of the theoretical concepts learned in the classroom.
- Networking Opportunities: The exhibition provided a platform for students to interact with professionals from the agriculture industry. Students engaged in discussions with farmers, agricultural scientists, and industry experts, gaining valuable insights into career opportunities and industry trends

Summary of the Event

The department of mathematics organized the guest under the guidance of Vice- President of Navgan Education Institute, RajuriDr. Deepa Kshirsagar and Principal of the college Dr. Shivanand Kshirsagar. The guest lecture held on 06-1-2023 and the chief guest of the was Dr. A. R. Gadhe from Department of Mathematics, Arts, Science & Commerce College, Dharur.He guided the students in depth on Theory and Application of Algebra. He convinced the students with examples how the subject of Algebra is important for research in the advanced world of information and technology.Vice-Principal of the college Dr.S. N. Shindewas the chairman of this guest lecture. While expressing his thoughts, he mentioned the importance of mathematics subject and today's lecture topic is very important and appealed to the students to take it. As the chief guest on the platform, Dr. Satish Maulage, P.G. Directorwas present. The program was coordinated by Dr. Gajanan Shrimangale and Dr.Shankar Raut, Head of Mathematics Departmentdid the introduction and thank you speech of the program. The 37 students of the department was attended the program.

Summary of the Event

On 15th August 2023, Dept. of Physics was Published Wall Paper on the occasion of Independence Day. We as Indians pay respect to all the leaders who fought bravely for our nation's freedom in the past.

The title of this wall paper was "NEP 2023 and Higher Education", which is the current issue. The National Education Policy 2023 represents a significant transformation in Indian education, enhancing the system's inclusivity and student-centered approach. The aim behind Wall Paper is to prepare students for the 21st century, to aware educational challenges and provide high-quality learning opportunities to all students, regardless of their financial background. This Wall Paper was Published by the precious hands of Hon'ble Chairman of our Institute Dr. Bharatbhusan Kshirsagar, President of our Institute Hon'ble Dr. Deepa Kshirsagar, Principal of our college, Hon'ble Principal as well as HOD of Physics department, Dr. S.V. Kshirsagar Vice Principal Dr. Sanjay Patil Devlankar, P.G. Director, Dr. Satish Maulage, vice Principal of Jr. College, Prof. Kakde and Supervisor Prof. Jalinder Kolekar were also present for the publication.

Hon'ble Dr. Deepa Kshirsagar, Dr. S.V. Kshirsagar were motivated and guided for it. Six Students, of B.Sc. III and II. Were actively participated for this Wall Paper Publication. For this event college staff, students also involved. For Wall Paper Publication, efforts were made by Dr. Pradnya Maheshmalkar. The exhibition was arranged for the wall papers.

Summary of the Event

Department of physics is celebrated "Rajiv Gandhi Akshay Urja Diwas" (20 August), the birth day of Late Prime Minister Rajiv Gandhi in every year. The objective of this programme is to generate mass awareness and popularization of need, benefits and uses of renewable energy devices and systems in all sphere of life.Also,to create awareness about Saving & Conservation of energy among Students.

This year, on 18th August 2023at 11.40 am to 12.30 pm in Hall No 56, department of physics, was organized an Essay Writing competition on the occasion of "Rajiv Gandhi Akshay Urja Diwas". The subject for this competition was Sources and Importance of Renewable Energy.

The main aim of the competition was Renewable energy sources are the answer to India's energy demands which are growing and are expected to grow exponentially in the future. The significance of renewable energy, impact of renewable energy on the social and economic landscape of India and the government initiatives for the promotion and expansion of renewable energy sources in the country.

31 Students were participated in the competition. Their Essays were assessed by Smt. Sharayu Muley and Mr. Pradip Salunke, Jr. Lectures of department of physics. From all

participants, 3 participants were selected as winners. In this Competition, Bobade Pradyumn Umesh B.Sc.I stood Ist, Akhade Rohini Kalyan B.Sc.I stood 2 nd, Gholap Pooja Mohan B.Sc.I stood 3 rd. and Maske Dhananjay BhimraoB.Sc. Summary of the Event-

Guest Lecture on the Topic "Sensors and Instrumental Physics" dated on 27, October,2023

On, **27**, **October,2023**, Department was organized one day workshop for B.Sc. and M.Sc. studentsUnder the guidance of Vice President of Institute Hon'ble Dr. Deepa Kshirsagar. This workshop was inaugurated by the auspicious hands of Principal as well as head of the department of Physics, Dr. Shivanand Kshirsagar. Dr. Sayyad Shafiyoddin B, Professor, Milliya College, Beed were conducted the Workshop and guided the students. On this occasion Vice Principal- Dr. Sanjay Patil Devlankar, Dr. Shivaji Shinde, PG Director -Dr. Satish Maulage, Jr. College Vice Principal- Mr. Narayan Kakde, Supervisor-Mr. Jalindar Kolekarwere also Present.48 students were actively involved in it.

The aim behind this workshop is

Dr. Sayyad Shafiyoddin B highlighted the image sensors, satellite sensors, various carrier opportunities through this topic. He also includes that it is the best carrier options for the students.Dr. Shivanand Kshirsagar delivered the Inaugural as well as Presidential remarks in the workshop. He said that it is a skill enhancement workshop for students through which students can learn new techniques and methods.

Dr. Pradnya Maheshmalkar delivered the introductory speech of this workshop as well as anchored this programme and vote of thanks was proposed by Mrs. Saira Hussaini.B.Sc. and M.Sc. (48) students were present for this programme.

Efforts for this workshop were made by Dr. P.R. Maheshmalkar, Mrs. Sairya Hussaini, Shri Gange Anurath and Shri.Shrikant Shinde.

Summary of the Event

The Wildlife Week Movie Screening Event was held on 05/10/2023. The purpose of the event was to raise awareness about wildlife conservation and promote a better understanding of the challenges faced by various species.

Event Highlights:

1. Movie Selection: We curated a selection of impactful wildlife documentaries and films that shed light on the beauty of nature and the importance of preserving biodiversity.

2. Attendance: The event garnered a commendable turnout, with nature enthusiasts, students, and community members coming together to participate.

3. Guest Speaker: We were honored to have Dr. A.N. Shelke expert in wildlife conservation, who shared valuable insights and engaged the audience with a thought-provoking discussion.

4. Interactive Session: Q&A session followed the screening, allowing attendees to actively participate, ask questions, and express their thoughts on conservation efforts.

5. Collaborations: We collaborated with local environmental organizations and wildlife experts, fostering a sense of community and encouraging ongoing efforts for conservation.

6. Awareness Booths: Informational booths were set up to provide resources, pamphlets, and educational material on wildlife conservation, helping to empower attendees with knowledge.

7. Feedback and Surveys: Attendees were encouraged to provide feedback through surveys, helping us gauge the impact of the event and identify areas for improvement.

For this event the Vice Principal of our College Dr. Sanjay Patil Deolankar, Vice Principal Dr. Shivaji Shinde, Vice Principal of Junior College Mr. Narayan Kakde, P.G. Summary of the event

Certainly! A guest lecture by Dr. R.M. Dhere on opportunities in fisheries likely covered various aspects of the industry. Here's a brief report summary:

Dr. R.M. Dhere delivered an insightful guest lecture on the vast opportunities within the fisheries sector. He emphasized the growing importance of sustainable practices and technological advancements in the industry. Key points included:

1. Global Demand: Dr. Dhere highlighted the increasing global demand for seafood, creating numerous opportunities for individuals interested in fisheries.

2. Sustainable Practices: Emphasis was placed on the importance of sustainable and environmentally friendly fishing practices, addressing concerns related to overfishing and ecological impact.

3. Technological Advancements: The lecture discussed how technology, including aquaculture innovations and datadriven fisheries management, is transforming the industry, presenting new avenues for career growth.

4. Entrepreneurship: Dr. Dhere encouraged aspiring entrepreneurs to explore opportunities in fish farming, processing, and value-added products, showcasing the potential for business ventures.

5. Research and Development: The lecture touched upon the significance of research in enhancing productivity, disease management, and the overall sustainability of fisheries.

6. Government Initiatives: Participants were informed about various government schemes and initiatives supporting the fisheries sector, providing insights into potential collaborations and funding opportunities.

Overall, Dr. R.M. Dhere's lecture inspired attendees to consider the diverse opportunities available in fisheries, while stressing the importance of responsible practices for the long-term health of the industry.

Summary of the Event

Home Science Department has conducted two days Mehandi designing Workshop on dated 18 and 19th August 2023. Resource persons were from Jan Shikshan Sansthan, Beed namely Mrs.Kavita Joshi, Mrs. Vaishali Thigale, Mrs. Nanda Salunke and Mrs. Nisha Pathan. In the introductory speech Dr. Maya Khandat spoke about importance of Mehandi in the Indian culture and in the celebrations of festivals. She also greeted participants. She explained about the schedule of two day workshop to president and participants.

The president of the event was Vice Principal Dr. Shivaji Shinde. He inaugurated the workshop and delivered inaugural speech. In his speech he said that there are many advanced techniques in Mehandi designing. Students should focus on the basics of it and then learn professional Mehandi or bridal Mehandi designing. Girls love Mehandi designing on special festive occasions so the workshop will be helpful to them for their personal use also, so they should acquire the skill properly to become professional Mehandi artist or designer.

PG Director Dr. Satish Maulage and Program Officer of JSS, Mrs. Seema Manurkar were present to grace the function. Dr. Manju Jadhav proposed vote of thanks.

Students learnt basic forms of design on paper, simple Mehandi drawings on paper. Instant Mehandi, colour Mehandi, Arabic Mehandi and glitter or sparkling type of Mehandi designs on paper as well as on palm or front hand and back hand in the workshop were drawn by the students. Near about 30 participants were benefitted by the event.

Summary of the Event

On the occasion of celebration of World Breastfeeding Week 2023, Home Science Department has organised a guest lecture. Resource person was Dr. Anvita Agarwal from Dr. I. B. P. College, Aurangabad. In the introductory speech Dr. Maya Khandat spoke about the theme of WBW 2023. It is "Let's make breastfeeding and work, work!" She also told about key objectives of WBW are promoting breast feeding. WBW emphasises the significance of breastfeeding as a natural and beneficial way to nourish infants. In the inaugural speech, Dr. Anvita Agarwal told the audience that WBW was started in 1992 to generate public awareness and support for it. WBW is held in the first week of August every year supported by WHO, UNICEF and many ministers of health and civil society partners with annual themes including health care systems, women and work. The WHO recommends that all babies be exclusively breastfed for 6 months, then gradually introduced to appropriate foods after 6 months While continuing to breastfeed for 2 years or beyond. Vote of thanks was proposed by Dr. Jadhav M.B.
