7.1.1(3) – Specific Facilities Provided for Women in terms of

a. Safety and security

The safety and security of girls and women in colleges are critical concerns that require a multi-faceted approach, addressing both physical and psychological well-being. Ensuring a safe and secure environment is not only vital for their academic success but also their overall development and well-being. Here are key factors and strategies to promote safety and security for women in colleges:

1. Physical Security Measures

- ➤ College has 47 CCTV cameras in strategic areas, including campus entrances, corridors, parking lots, and hostel.
- Ensuring that pathways, dormitory areas, and parking lots are well-lit and safe for students to walk through at all hours.
- ➤ One security is available during college time hour.
- ➤ Colleges provided easily accessible emergency contact numbers for girl's safety.

2. Anti-Harassment Policies and Protocols

- ➤ Clear Anti-Harassment Policies: College has clear policies prohibiting all forms of harassment, including sexual harassment, bullying, and abuse. These policies are easily accessible to all students and staff.
- Awareness Programs: College regularly organize workshops and awareness sessions to educate students about their rights and what constitutes harassment or violence. Empowering students to identify and report inappropriate behaviour is crucial.
- ➤ Complaint Mechanisms: College has Women's cell committee and Internal Complaint Committee for filing complaints.

b. Counselling

- > College Provides mental health support through counselling where women can discuss their concerns related to stress, safety, and mental well-being.
- > Empowerment Programs: College organized program on self-defense techniques, consent, and personal safety. Such programs can increase confidence and awareness, and help reduce vulnerability.

c. Common Rooms:

- Many facilities are provided to the girls and female staff in the college campus.
- ➤ College has Girl's hostel having capacity 100 girls.
- ➤ Provided facilities like reading room, canteen, visitors room, dining hall, RO water plant for drinking water, common room
- > Separate queue for girls and boys at the administrative building.
- > Separate parking facility for girls is available.

d. Day Care Canter:

Happy child home facility is provided in the campus for those students who are mother, to look after their children during classes and examinations. Lactating room is also made available in the college campus.

e. Relevant Information:

Ensuring the safety and security of girls and women in college is a shared responsibility between the institution, students, and the broader community. Through robust policies, awareness programs, emergency response systems, and a culture of respect and inclusion, colleges created an environment where women feel safe, supported, and empowered to pursue their academic and personal goals without fear of harassment or violence.
