The programme was divided as follows;

1. Women cell-Guest lecture on the topic Women Health and medical check-up of women.
2. Microbiology Dept.-Blood group detection
3. Health care unit-Medical check- up of primary school students and other blood investigation.

To celebrate World Mental Health Day, a guest lecture of Hon. Dr. Sudam Mogale was organised on the topic of Woman Health. While addressing the audience he said that in India, the suicide percentage of women is more than men. Coming to the reasons of the ill health of women he explained that as far as Beed district is concerned it is identified as a supplier of sugarcane cutter labour to the nearby States. It is a tiresome and hectic work to them. The fatigue and stress of the work is turned into the habit of alcoholic drinks. In this situation, housewives at home are under tremendous stress. Another main reason of stress in the life history of woman is that before each menstrual cycle girls and women have to face premenstrual syndrome or stress due to hormonal imbalance. He added that during pregnancy also women has to face tensions and burden. After the occurrence of menopause woman may suffer from uterine cancer and may suffer from mental pressure.

Further he advised that healthy girls and women suffer minimum mental stress with their ability to handle it in a proper way. Thus one should follow healthy lifestyle habits in day to day life. i.e. early to bed, early to rise will benefit oneself from the natural ozone gas in the atmosphere, regular exercise, balanced diet, nutritious food choice with fibrous foods, calcium, protein, vitamin D3, iron, B12 etc., proper outfits, avoiding palm oil intake are major key factors to attain fitness.

Inspiration behind the camp was Hon. Principal Dr. Deepa Kshirsagar. The event was guided by In charge Principal Dr. Shivanand Kshirsagar, Vice Principal Dr. Sanjay Patil, Vice Principal Dr. Shivaji Shinde, PG Director Dr. Satish Maulage and SKHM College Principal Dr. Mahendra Gaushal.

Summary of the Event

Women Cell and NSS Department of Mrs. K.S.K. College has organized a Guest lecture of Dr. N.P.Kale on the topic Feminism in India on dated 18th October 2022 in Hall number 50. President of the event was Hon. Vice Principal Dr. Shivaji Shinde. The event was motivated by Hon. Dr. Deepa Kshirsagar and guided by In-charge Principal Dr. Shivanand Kshirsagar, Vice Principal Dr. Sanjay Patil, , PG Director Dr. Satish Maulage, Junior College Vice Principal Mr.Sayyad and Supervisor Mr. Jalinder Kolekar.

While addressing students on the thought provoking issue like feminism in India, Resource person Dr. N.P. Kale said that Feminism is nothing but equal status of men and women in society. He informed students about thoughts of Western activists and social workers about Feminism. He also reviewed feminism with reference to historical, spiritual, religionwise, political and social background.

He strongly argued that girls and women are not lacking than boys and men in any field of life. Only the thing is they should understand and accept their own existence with confidence. They must fight against social prejudices and misconceptions which are obstacles in their way of progression. Boys and Girls must be bold enough to speak openly about the deeds and actions in their surroundings which are against women's rights. In India, male dominated social system systemically woven women in a slave psychology. Sadly he noted that literature like stories, books and poems provide best references to point out the secondary status of women. It is a need of an hour to analyze and criticize it on the grounds of feminism.

Continuing his speech, he spoke about the great social workers Mahatma Jyotirao Phule, Rajaram Mohan Roy, and French writer Simon de Bovhuar for ,the book 'The Second Sex', Essay of Tarabai Shinde on the topic 'male-female comparison' and Indian constitution in concern with women's right in detail. He said that women in India should achieve topper position in all sectors in India.Lastly, he concluded with the words that we all should accept independent personality and the existence of women. We all are responsible to adopt the thought of feminism in our thinking and behavior respecting women in India

President of the programme Hon. Dr. Shivaji Shinde concluded that students should enrich themselves with feminism, they should understand the issue by reading books written by prominent Indian and International authors on this topic. He reviewed the literature of Amruta Preetham, Arundhati Roy, Meera Nair, Mahashweta Devi, Manju Kapoor and so on. He further added that understanding feminism is as simple as equality of man and woman without anybody's dominance. He also insisted that man and woman should have equal rights, equal power and equal status in day to day life which is an essential aspect of healthy society leading nation towards progress.

An anchor of the event was Dr. Anita Shinde. Women Cell Chairman Prof. Maya Khandat and committee members and NSS Chairman Dr. Pandit Khakare and committee members have taken efforts for the success of the programme.

Total 57 students were benefitted from the session, among them 24 were girl students and remaining 29 were male students. Ten staff members attended the programme

It is for the couple to be on the same page for several important issues. She further said that, it is important to discuss with would be partner about his/her nature, vegetarian/ non-vegetarian food habits, financial side, physical disabilities, dowry expectations, addictions like alcoholic drinks, tobacco chewing etc. which may cause cancer in the future. In her counseling session, she further added that before marriage, physical checking is mandatory. One should be particular to know about family history of diseases like Blood pressure and Diabetes. In today's nuclear family structure, one must be informed about his/her responsibilities, habits and future financial planning and other such matters which are responsible for causing conflicts and stress in a marriage. She also said that it is must to attend premarital sessions for the success of the marriage. She advised that if at all quarrel situation occurs, then best way to resolve it is to communicate quietly to understand the situation properly as early as possible i.e. on the same day. Don't postpone it for next day.

Since this year is celebrated as International millets year-2023, an exhibition was organized by Sangita Gaikwad, KVK, Kharpudi, Dist Jalna. Wallpapers, slogans focusing importance, nutritive value and digestibility of millets and basket of various sweet and salty recipes prepared with millets were part of the 'Millet Exhibition'.

Anchoring of the session was done by Dr. P.R. Maheshmalkar

Inaugurator of national conference was honourable Professor Chetna Sonkamble, Dean, Faculty of Interdisciplinary studies, Dr.B.A.M.U. Aurangabad. In her speech she said that women enhancement is women empowerment. Concept of gender equality is well defined in the Indian constitution. Women empowerment is categorised in two ways: one is generalised and second is specific. Those women who had not any opportunity are in the generalised category, whereas those women who will be listened by society is specific type of women empowerment. For progress of nation empowered status of women is needed. Women empowerment is a gradual process. It is not coming through any separate Syllabus or academics. Years together Indians are observing this aspect. Kalpana Chawla, Malaya Yousafzai are the best examples of crossing the boundaries by women. Women these days are working in many sectors such as corporate sector, universities, schools, political sector etc. If a woman is educated whole family will be educated. woman these days may not be misused. That is men are ruling them. (i.e. Though the women are in the right position to take the right decision.) Women should adopt the sense of self-respect and confidence at home and at workplace too. People around women should not ruin women, even working woman and well educated woman is not having any scope to discuss in any financial matters like shareholding, owning farms and houses or any investment issue. Everywhere she has to defend herself. Typical patriarchal system is deeply rooted in Indian society. It is sad to note that it's followed at present nationally and internationally. But, women have proved themselves. For example, Kiran Bedi, Indira Gandhi, Mother Teresa etc. Ability of women, education of women, participation of women and political will are important factors to enhance status of women in India. In recent years, the things are happening very positively but the rate is very slow. For that matter, mindset of woman herself has to be changed. Nurturing is the speciality of women gifted by nature. So medicine, child care, nurseries, hospitals are the

open fields for women . Challenge of gender equality is still present in India. Recognition of women is missing somewhere in the present .UGC has planned to implement NEP 2020 in a year or so, where there are efforts to promote gender equality and about eliminating gender discrimination.

Incharge Principal Dr.S.V.Kshirsagar informed chief about progress of College, mission and objectives of College.He also threw light on the new NEP-2020 and challenges for its implementation.He also reviewed various programs organised by Home Science and Sociology faculty .Lastly,he noted the importance of the topic of the National conference to the nation,state and family.

SESSION II:

Hon. Dr. Neelam Yadava

Topic : Women entrepreneurship and empowerment

Acknowledging that economic independence is the key to women empowerment, NCW aims to create a lasting impact for women across the country by providing women entrepreneurs access to knowledge and skills required to grow and sustain their entrepreneurial ventures.

Women's empowerment has five components:

- 1) women's sense of self-worth
- 2) their right to have and to determine choices
- 3) their right to have access to opportunities and resources
- 4) their right to have power to control their own lives, both within and outside the home
- 5) their ability to influence the direction of social change to create a more just social and economic order, nationally and internationally.

Hon. Principal Swati Nakhale

Topic : Dimension of health and Indian women

- Mission of Indian Government :

- 1) Improve the health status
- 2) reduce poverty
- 3) gender discrimination
- 4) women education
- 5) women empowerment

- Dimensions of health

- 1) physical health
- 2) social health
- 3) emotional or mental health
- 4) cognitive/intellectual health
- 5) spiritual health

- Factors that determine the health concerns of women like unsafe abortion, malnutrition, early marriage, domestic violence, illiteracy, etc.

President of the Session-Dr. Vilas Bhagwanrao Bhillare, HOD, Dept. of Sociology, Arts and Commerce College, Chousala.

Topic: Rural Status of women in India

Dr. Bhillare was the President of the session. While addressing participants, he focused rural women and girls. He spoke that the status of rural women reflects an even darker narrative. Out of 135 crore population in India, 65.13 percent live in rural setups and women constitute 48 percent of the total rural population. 74.8 percent of women are agricultural workers, but only 9.8 percent own a piece of land as per 2020 records. They are deprived of certain rights and opportunities and are required to wholeheartedly dedicate themselves to the implementation of household responsibilities. Rural women are at high risk of abuse, sexual harassment and other forms of gender-based violence.

The Anchor of the Session was Mrs. Sangita Gaikwad.

The Session was followed by lunch.

SESSION III

Principal Savita Shete

Topic: Gender Equality: Empowerment of Women and Girls

Principal Savita Shete delivered a lecture on gender equality. She said sex is biological but gender is not biological because it can be changed due to scientific advancement. Sexual organs are derived from chromosomes XX for girls and XY for boys. These days society is expecting too many things from brides such as well education, beautiful, handsome salaries and good packaged, healthier for doing household chores, calm and quiet by nature. Social system should adopt gender equality but since birth girls are facing from gender bias attitude and behaviour in India. Gender equality should start from home. One should be a human rather than a man or woman. Gender discrimination is high in India. Basic needs like cooking, washing clothes, and dishes, maintenance of cleanliness and hygiene of surrounding and following healthy habits should be taught to girls and boys in the family. Each woman must have same honour and respect as every man in family, community and society. She further said that girls and women are also responsible to widen the gap as they keep mum and tolerate the discrimination. This is the main reason that gender biased activities are happening more often in society. Highly educated and

employed women are also suffering from discrimination in their families and at work places regarding caste, religion, and family rituals like keeping fasting inspite of her willingness. It is must for women to not to fear anyone. She also told about importance of different Indian laws noting that implementation is not proper. She advised participants to empower themselves to say no for anything which is against their will.

Prof. Sandip Choudhary

Topic: ‘Educational Status of Women, issues and concerns

Prof. Sandip Choudhary delivered a lecture on the topic ‘Educational Status of Women, issues and concerns’. While insisting about statistics of the topic, he said that nearly 5 million women are unable to read in India. Tribal people are having their mother tongue in which the school syllabus and teaching-learning is not available. So the education policy should be friendly towards them incorporating syllabus in their mother tongue. He suggested that NGOs, different organizations, schools and colleges should come forward to educate women and girls in an online mode and through informal education if they are having difficulty in attending scheduled formal school education.

Beed**

Number of participants : 32 (22M+10F)

Contact person’s Name : Dr. M.S. Khandat ,

Summary of the Event

On dated 8 th March 2023 International Women’s Day has celebrated in Hall number 17.President of the program was Hon.vice Principal Dr. Sanjay Patil.

Introduction of the IWD and review of programs held Women cell was stated by Chairman of ICC, Professor Maya Khandat.

Chief guest of the program was Advocate Sarika Kshirsagar. She communicated with audience congratulating on the occasion of IWD. She said that in India there are no separate laws constituted for man and woman. Rather Constitution has formulated laws for the betterment and discipline in society and to prevent discrimination. Laws are against the deep rooted evil superstitions and prejudices existing in the society.She explained about Dowry prevention act-398, 498 A, Family violence act, Sakhi Centre which has been established by September 2022, Sexual harassment prevention, redressal and complaint for working women at work places, equal wages act, poxo act for sexual assault of girls below 18 years,Hindu Property act for girls and women as a legal heirs for their parents property, 292 and 294 act for sexual assault , illegal messages, gestures and behaviour.She stated role of State women Commission is very important, direct and impartial towards accused women.

Advocate Varsha Dalvi expressed her views about poxo act in detail.She stated that according to the information provided by family surveys in India rising figures of divorce are from the family where age of married women is below 18. Maximum number is confirmed by college girls.She informed about 494 act as it secured the marriage if the husband got married to second woman, if the documents of second marriage are provided to the court.She said that in majority cases sexual matters get resolved by monetary gain.Babysitting arrangements are lagally provided to the mother prisoner. On this occasion a informative pamphlet was distributed by Beed District Legal Services Pradhikaran, Beed.It was about the free services provided by them to the needy.

President Dr. Sanjay Patil said that women are known by their various relationships among relatives i.e. mother, daughter, wife, daughter-in-law, sister, sister-in -law, cousin sister and so on with full respect and justice. He said women are centres of each and every home. Every woman should be respected with honour in the family. If it happens then there is no need to take support of Government laws for any girl and woman in India.He finally concluded that families should not be biased towards girls and women.

Anchor of the program was done by Dr.Manju Jadhav. Guests were introduced by Dr. Sandhya Jogdand. Vote of thanks was proposed by Dr.Maya Joshi.Vice Principal Dr.S.N.Shinde, P.G.DirectorDr.Satish

Maulage, Junior College Vice Principal Mr.Sayyad Lal, Supervisor Mr.Kolekar and staff members were present at the event to grace the event.

Summary of the Event

Lecture was organized by Women cell of Mrs. K.S.K.College ,Beed on the topic “Role of water in maintenance of Health ” on 22nd October 2021. President of the event was Hon. Vice Principal Dr. Abasaheb Hange.

Introductory speech was delivered by Dr. M. S. Khandat. Chief guest Mr. Satyanarayan Dhawale has shared his knowledge about role of water and health. He expressed his views about properties of lake water, that it has antioxidant, alkalinity and micro clustering property. It is proved to be the best water as far as human health is concerned.

Kangen is a company which is making water with same properties as lake water. The device is manufactured in the year 1974.It is certified by Japan Medical Association. The device is initially approved by 6500 doctors from worldwide before marketing it for public use. The water proved to be beneficial in curing chronic diseases too. He further stated that human body has 72% of water. But mankind focuses on the intake of quality foods and it's quantity rather than type of drinking water. Each cell in the body needs water for it's formation and healthy life. It needs -50m voltage water for its proper functioning. He further stated that change your water, change your life. If the water is of -50m voltage, then it is healthiest water for human body. Antiaging process is delayed due to antioxidant property of water.

While suggesting dietary changes, he adviced buttermilk and salads to improve alkalinity property of water. Acidic diet is not at all favourable to maintain blood Ph. He strongly stated finally that Kangen water is an iodized alkaline water which penetrates directly in each and every cell in the human body.

The Anchor of the program was Dr. Khandat M. S. & vote of thanks was proposed by Dr.R.M. Gulve. Altogether 20 beneficiaries were benefitted by the event.

The Lecture was graced by the presence of Staff members, Junior College Vice Principal Sayad Lal and Junior College Supervisor Kolekar.

Women Cell committee members and Microbiology Department has taken efforts for organizing the event.

SUMMARY OF EVENT

One Day virtual national workshop on the crucial topic “Cyber security Awareness for Women” is organised by ICC, Dr.BAMU Aurangabad & women cell, Mrs K.S.K. College Beed on dated 12.05.2022. President of the event was Pro Vice Chancellor Professor Dr. Shyam Shirsath, Dr.BAMU Aurangabad.

Initially, Prof. Maya Khandat, Chairman of Women Cell greeted all participants and introduced President of the event and Chief guest Principal Dr. Deepa Kshirsagar. She also spoke about the objective of online workshop.

Prof. Veena R Humbe , Presiding Officer of ICC, Dr. B.A.M.U. Aurangabad delivered introductory speech. In her speech she stated statistics. Online abuse of women is near about 74%.The figure is 14% from whats’app user women and 10% from snapchat. She further said that 60% women who are active on social media are facing problem in today’s world. They are really in danger zone. Smart phone, broad band and use of digital devices is very common in these days. She further added that according to International Survey women violence is extreme among the age group 18-30 years. Amongst them 19% incidences are related to cyber issues. It is very important that women should be cyber safe. In this digital era, as per ones knowledge of use of electronic gadgets good as well as bad incidences are definite to happen. This is the main reason of occurrence of serious cyber events. Thus, she concluded that the main objective of workshop is awareness of cyber safety for women.

Chief guest Advocate Archana Gondhalekar explained about danger in sharing unknown link. She discussed in detail about the causes of cyber crimes.

Another resource person Advocate Priya Gondhalekar explained the hidden reason behind formulation of cyber law in India. It is as a precautionary measure for cyber crime. She stated the importance of communication devices is a boon of IT invention. She also insisted the fact that many a time's men join the ladies special sites to get photographs or other ladies special information with bad view in their mind. Girls if get trapped in this way and share there photographs and other personal information, then it is very difficult rather impossible to withdraw such circulated information from cyber world in India as global server is under the control of USA. She also informed viewers about cyber pornography. She insisted to fill up FIR for the cases of cyber fraud. Due care is needed while browsing, downloading and distributing photographs/videos from cyber world, as there is no limitations to cyber world. She differentiated between video makers and video viewers. She warned to not to connect cell phone to public wi-fi for charging and not to share personal details to people after short introduction. She further advised to be in a doubtful state of mind always while opening cyber sites and while installation of different apps, don't permit webcam, photo cam or location details. She said to have strong password for our personal accounts, so not it will not be easy for anyone to access your various accounts. She further suggested that **http://** is a secure link for browsing or shopping purpose. Lastly, she concluded that under section 65, Indian Government is accepting cyber complaint on website i.e. online procedure.

Questions and answers session was followed afterwards. Shubham Ambhore had a doubt that whether it is a building up of psychological mind set due to surrounding atmosphere about cyber abuse or how to justify it. Advocate Priya satisfied his query concluding that one can very well use IT for constructive benefits.

Chief guest hon. Principal Dr. Deepa Kshirsagar informed the virtual audience about the College activities conducted for safety of girls. She reviewed the current cyber technology invention and asked students about it's proper use. She insisted the widespread use of IT in today's world. She advised to make use of digital instruments only for educational purpose.

Vote of thanks was proposed by Ms. Sonali Gaware from Computer Science Department.

To grace the event, Incharge Principal Dr. Shivanand Kshirsagar, PG Director Dr. Satish Maulage and other Staff members from various Colleges were digitally present for the Workshop.
