Summary

The training programme will be presided over by Principal. Dr. Shivanand Kshirsagar was the vice principal on the dais. Dr. Sanjay Patil, Dr. Sudhakar Gutte, Dr. Vishambhar Deshmane, PG Director Dr. Khan Ansarullah and Jr. Vice Principal Dr. Narayan Kakade and others were present.

During the training, the college principal, Dr. Shivanand Kshirsagar, explained to the students how computer knowledge is important in every field and that access to computers is the need of the hour and that everyone needs to have access to computers. Also, various facilities are available in the college for the students. Maximum students should take advantage of it. He said that the current era is of computers and therefore it is very important for every student to be able to handle a computer.

On the first day of training, on 3 September 2024 Dr. Shaikh Amjad, Head of the department Computer Science, informed the student about what computer science is and its basic hardware and software. They provided the students with complete information about the Microsoft Word application.

Mrs. Sonali Gaware from the Department of Computer Science explained how Microsoft Excel is useful in creating and storing information in daily life. She also demonstrated MS Excel. And in the third session, she explained the information about MS PowerPoint in a very simple language so that the students can understand it and had the demonstrate it.

Also, on this occasion of Teachers' Day, the birth anniversary of Dr. Sarvepalli Radhakrishnan was celebrated by offering flowers to his portrait. After the training, online certificates were distributed to all the trainees through Google Form by the dignitaries.

The program was anchored by Dr. Shaikh Amjad and vote of thanks was proposed by Mrs. Gaware S. R. and large number of students from the department of computer science attended this workshop.
