### Summary of the Event

Women Cell and NSS Department of Mrs. K.S.K. College has organized a Guest lecture of Dr. N.P.Kale on the topic Feminism in India on dated 18<sup>th</sup> October 2022 in Hall number 50. President of the event was Hon. Vice Principal Dr. Shivaji Shinde. The event was motivated by Hon. Dr. Deepa Kshirsagar and guided by In-charge Principal Dr. Shivanand Kshirsagar, Vice Principal Dr. Sanjay Patil, PG Director Dr. Satish Maulage, Junior College Vice Principal Mr.Sayyad and Supervisor Mr. Jalinder Kolekar.

While addressing students on the thought provoking issue like feminism in India, Resource person Dr. N.P. Kale said that Feminism is nothing but equal status of men and women in society. He informed students about thoughts of Western activists and social workers about Feminism. He also reviewed feminism with reference to historical, spiritual, religionwise, political and social background.

He strongly argued that girls and women are not lacking than boys and men in any field of life. Only the thing is they should understand and accept their own existence with confidence. They must fight against social prejudices and misconceptions which are obstacles in their way of progression. Boys and Girls must be bold enough to speak openly about the deeds and actions in their surroundings which are against women's rights. In India, male dominated social system systemically woven women in a slave psychology. Sadly he noted that literature like stories, books and poems provide best references to point out the secondary status of women. It is a need of an hour to analyze and criticize it on the grounds of feminism.

Continuing his speech, he spoke about the great social workers Mahatma Jyotirao Phule, Rajaram Mohan Roy, and French writer Simon de Bovhuar for ,the book 'The Second Sex', Essay of Tarabai Shinde on the topic 'male-female comparison' and Indian constitution in concern with women's right in detail. He said that women in India should achieve top position in all sectors in India. Lastly, he concluded with the words that we all should accept independent personality and the existence of women. We all are responsible to adopt the thought of feminism in our thinking and behavior respecting women in India

President of the programme Hon. Dr. Shivaji Shinde concluded that students should enrich themselves with feminism, they should understand the issue by reading books written by prominent Indian and International authors on this topic. He reviewed the literature of Amruta Preetham, Arundhati Roy, Meera Nair, Mahashweta Devi, Manju Kapoor and so on. He further added that understanding feminism is as simple as equality of man and woman without anybody's dominance. He also insisted that man and woman should have equal rights, equal power and equal status in day to day life which is an essential aspect of healthy society leading nation towards progress.

An anchor of the event was Dr. Anita Shinde. Women Cell Chairman Prof. Maya Khandat and committee members and NSS Chairman Dr. Pandit Khakare and committee members have taken efforts for the success of the programme.

Chief guest of the program was Advocate Sarika Kshirsagar. She communicated with audience congratulating on the occasion of IWD. She said that in India there are no separate laws constituted for man and woman. Rather Constitution has formulated laws for the betterment and discipline in society and to prevent discrimination. Laws are against the deep rooted evil superstitions and prejudices existing in the society. She explained about Dowry prevention act-398, 498 A, Family violence act, Sakhi Centre which has been established by September 2022, Sexual harassment prevention, redressal and complaint for working women at work places, equal wages act, poxo act for sexual assault of girls below 18 years, Hindu Property act for girls and women as a legal heirs for their parents property, 292 and 294 act for sexual assault , illegal messages, gestures and behaviour. She stated role of State women Commission is very important, direct and impartial towards accused women.

Advocate Varsha Dalvi expressed her views about poxo act in detail. She stated that according to the information provided by family surveys in India rising figures of divorce are from the family where age of married women is below 18. Maximum number is confirmed by college girls. She informed about 494 act as it secured the marriage if the husband got married to second woman, if the documents of second marriage are provided to the court. She said that in majority cases sexual matters get resolved by monetary gain. Babysitting arrangements are lagally provided to the mother prisoner. On this occasion a informative pamphlet was distributed by Beed District Legal Services Pradhikaran, Beed. It was about the free services provided by them to the needy.

President Dr. Sanjay Patil said that women are known by their various relationships among relatives i.e. mother, daughter, wife, daughter-in-law, sister, sister-in -law, cousin sister and so on with full respect and justice. He said women are centres of each and every home. Every woman should be respected with honour in the family. If it happens then there is no need to take support of Government laws for any girl and woman in India. He finally concluded that families should not be biased towards girls and women.

Anchor of the program was done by Dr. Manju Jadhav. Guests were introduced by Dr. Sandhya Jogdand. Vote of thanks was proposed by Dr. Maya Joshi. Vice Principal Dr. S.N. Shinde, P.G.
